REASONS FOR ALLOWANCE

1. Claim 6 is allowed. The following is an examiner's statement of reasons for allowance.

Regarding claim 6, prior art fails to disclose or fairly suggest an X-ray microscopic inspection apparatus, including a target comprising a plurality of target elements, reflected electron detecting means for detecting a reflected electron from said target, electron image generating means for performing imaging of a target surface of a target for X-ray generation utilizing signals from said reflected electron detecting means, and a target selecting means for selecting a target element by swinging said electron probe to a position of an appropriate target element by controlling a current of a scan coil, so that a characteristic X-ray having an appropriate wavelength is generated according to an inspecting purpose, and wherein said target selecting means has a function of selecting a target element within a plurality of target elements by a user's selecting operation according to an electron image of said target surface, in combination with all the limitations in the claim.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
